**NOTICE OF FILING -
BROOKE UTILITIES, INC.'S
RESPONSE TO INTERVENER
STATUS UPDATE**

25 On December 10, 2014 Administrative Law Judge Kinsey filed a Procedural
26 Order requiring Circle City Water Company LLC ("Circle City") and Interveners Lake
27 Pleasant 5000 ("LP5K") and Maughan Revocable Trust ("MRT") to jointly file a status
28 update on the settlement negotiations between the Parties.

29 January 5, 2015 Circle City filed its Status Update into the Docket and on
30 January 6, 2015 Interveners LP5K and MRT similarly filed its Status Update into the file
31 as well. In its closing, LP5K and MRT requested that the Commission issue an order
32 suspending the procedural schedule pending further settlement negotiations between the
33 Parties.

34 Accordingly, Circle City agrees with the request of the Interveners to defer the
35 procedural schedule for a reasonable period of time. However, the nature of these
36 settlement negotiations is clear enough to the Parties that this deferral should not be open

1 ended. Therefore, Circle City would propose a procedural schedule deferral until January
2 30, 2015 on which date the Parties would separately file a subsequent settlement
3 negotiations Status Update to the Docket advising the Commission of any progress, or
4 lack thereof, being made between the Parties.
